The Knot enlisted the expertise of **THE EVENT PLANNER, INC.** to create a spectacular celebration at **THE COLONY CLUB**, where local wedding professionals showcased their designs and ideas while networking with their peers.

**DALIA ATISHA**  
The Event Planner, Inc.

“The historic Colony Club helped create the sophisticated wine bar ambience we wanted to attain. Guests enjoyed sipping Motown Martinis while also enjoying food stations, a live guitarist and a DJ that played top 40 tunes. It was such a pleasure working with the sponsors to make this event a true success!”
